SOLUTIONS

Your gateway to

Training | Development | Progression

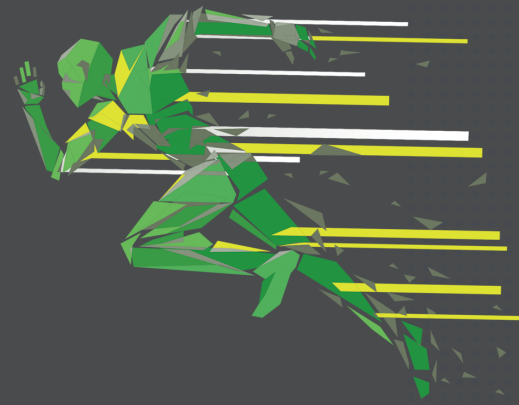

True growth happens when individuals are challenged and provided with opportunities to develop their potential.

Evolve Hub is committed to guiding you on your path of professional development.

Our development programmes focus on enhancing leadership capabilities, supporting innovation, and cultivating a growth mindset, equipping you to excel in today's dynamic business landscape.

We believe that continuous learning and progress are essential components of a successful career journey

SUCCESS

Unleashing your potential

Whether it's management development, diversity and inclusion training, or customised workshops, Tick HR Solutions' training offerings are crafted to address the evolving needs of businesses and individuals, positioning them for sustained growth and excellence.

We offer courses to suit your needs which can be delivered as standalone sessions or combined to suit your needs:

- HR for Managers
- Recruitment & Retention
- Selection & Onboarding
- Effective Communications skills
- Managing Difficult Conversations
- Absence Management
- Sexual Harassment
- Mental Health in the Workplace
- Performance Management

evolve hub
